

# REGISTRATION FAQ'S

*Please meet with your academic advisor before registering for classes.*

## Common Errors

**Question:** What if I get a “Requisites not met” error but completed the prerequisite course at a different institution?

**Answer:** Make sure you have contacted your previous institution and requested that an official copy of your transcript be sent to UNL Admissions. If you have had your transcript sent to UNL, please contact your advisor for next steps.

**Question:** No schedules are showing up when I click “Generate Schedules”. What do I do?

**Answer:** See the error message to identify the schedule conflict and adjust your classes accordingly.

## Permission Codes

**Question:** Do I need a permission code for my course and how do I obtain one?

**Answer:** Most classes will not require permission codes. Permission codes are usually granted by departments and not advisors. Please contact the department for the class you need a permission code for. This link will show you how to enter a permission code: <https://registrar.unl.edu/student/registration/tips/#codes>

## Waitlisted Courses

**Question:** How do I get added to a waitlist for a course that is full?

**Answer:** Not all courses have a waitlist option. It is best practice to speak to an advisor and plan an alternate class in case you do not get into the course you are waitlisted for. You should keep your schedule open for the time that your waitlisted course is scheduled. You will automatically be enrolled in the waitlist-ed course if a seat becomes available. This link will show you how to be added to a waitlist: <https://registrar.unl.edu/student/registration/tips/#wait>

## Checking Your Schedule

**Question:** How do I make sure my schedule will work before I register?

**Answer:** The “validate” button in the Enrollment Scheduler will check for any errors in your schedule. Note that your seat in a course is not secured until you officially register.

 Love Library South 127
