

N. Explore Center Pre-Medicine

WHAT IS PRE-MEDICINE?

Pre-Medicine is a Pre-Health track for anyone who wants to be a physician. Most physicians provide direct patient care, either in primary care or one of many other medical specialties (eg. anesthesiology, oncology, psychiatry, radiology, sports medicine, dermatology), but can also pursue careers in medical research or education. Pre-Medicine students work one to one with an advisor to reach their goals, and they can choose any major to pair with their focus.

HOW TO GET THERE

OUR STUDENTS

"From your first days on campus to your last, the Explore Center is here to help you through your Pre-Health journey. From career advising meetings to application preparation for professional health school, the Explore Center advisors will be there to help along the way."
- Brandon, '21

UNL students attend medical schools across the country

The average GPA of UNL students accepted to medical school

3.86

The Nebraska Difference

GET PAID TO DO RESEARCH AS AN UNDERGRAD

Encourage and inspire freshmen by being a Pre-Health Peer Mentor

HUMANITIES IN MEDICINE MINOR

Live and learn with Pre-Health peers in a learning community

MEET ONE TO ONE WITH MEDICAL SCHOOL VISITORS

Share your Pre-Health story as an Explore Center Ambassador

INTRO TO HEALTH PROFESSIONS COURSE

Become an undergraduate teaching assistant or tutor for important Pre-Health science courses

N. Explore Center Pre-Medicine

SUGGESTED COURSES

Required Course Work*	MIN. #
Biological Sciences with Lab	2
Genetics	1
General Chemistry with Lab	2
Organic Chemistry with Lab	2
Biochemistry	2
General Physics with Lab	2
English Composition	1-2
Calculus or Statistics	1
Human Physiology	1
Intro to Psychology	1
Intro to Sociology	1

Recommended Course Work	MIN. #
Human Anatomy	1
Molecular Biology	1
Microbiology	2
Cancer Biology	1
Advanced Genetics	1
Immunology	1

* These requirements are based on those for University of Nebraska Medical Center (UNMC), Creighton University, and courses required for the MCAT. You are encouraged to work with an advisor to determine requirements at other institutions.

Note: UNMC's College of Medicine does not accept AP/IB Credit for prerequisites; Creighton will accept some AP/IB courses. Generally, students are advised to study coursework above and beyond the minimum requirements for medical school.

Required & Recommended Science Courses Only			
FIRST	General Chemistry I w/lab	SECOND	General Chemistry II w/lab
	Math (per exam)		Biological Sciences I w/lab
THIRD	Organic Chemistry I w/lab	FOURTH	Organic Chemistry II w/lab or Biochemistry
	Biological Sciences II w/lab		General Physics I w/lab
			Genetics
FIFTH	Biochemistry I	SIXTH	Biochemistry II
	General Physics II w/lab		Human Physiology
SEVENTH	Recommended Courses	EIGHTH	Human Anatomy w/lab
	Recommended Courses		Recommended Courses

Professional School Requirements:

- **Undergraduate Credit:**
Bachelor's degree
- **Entrance Exam:**
Medical College Admissions Test (MCAT) taken 12-16 months prior to starting Medical school
- **Professional Schooling:**
4 years of medical school plus 3-8 years of residency; M.D. or Doctor of Osteopathy
- **Local Professional Schools:**
University of Nebraska Medical Center (UNMC) Omaha; Creighton University- Omaha
