

# PRE-HEALTH WORKSHOPS

## FALL 2022

### Pre-Health Orientation

Thursday, Sept. 1, 4-5 p.m. | Love Library South 221  
Wednesday, Sept. 7, 4-5 p.m. | Love Library South 221

Geared toward new Pre-Health students, this session will provide an overview of Pre-Health and discuss questions like: How do I find out what courses I need to take for my Pre-Health area and how do I plan when to take them? How do I explore different areas of Pre-Health? How can my co-curricular experiences enhance my application? And more! Attend the session that best fits your schedule.

### Interviewing Tips for Health Schools

Tuesday, Sept. 13, 4-5 p.m. | Love Library South 221  
Wednesday, Oct. 12, 4-5 p.m. | Love Library South 221

Will you be interviewing for a professional health school soon? Learn strategies for approaching your interview and how to have your best interview. Then, [sign up for a mock interview](#) to practice what you learned. Attend the session that best fits your schedule.

### MCAT Workshop

Wednesday, Sept 21, 4-5 p.m. | Love Library South 221

The Medical College Admission Test (MCAT) is an important piece of your application to medical school. We'll review the content of the exam, discuss considerations for when to take it, and share preparation strategies and resources.

### UNMC Nursing Application Session

Wednesday, Oct. 12, 3-4 p.m. (in person) | Love Library South 221  
Thursday, Oct. 13, 3-4 p.m. (in person) | Love Library South 221  
Thursday, Oct. 20, 9-10 p.m. CST (virtual) | Via Zoom: <https://unmc.zoom.us/j/95503818716> (Passcode: 778305)

UNMC's Student Services Coordinator will review the application for UNMC's nursing program. If you are applying to UNMC this fall/winter, this workshop is your opportunity to ask questions about how to complete the application.

### GRE Prep for Health School Applications

Thursday, Oct. 13, 4-5 p.m. | Love Library South 221

If the Graduate Record Exam (GRE) is required for admission to your professional health program, join us for a one-hour overview of the exam. We will cover the format of the GRE, outline timelines for studying for and taking the exam, and share helpful resources and advice on preparing to take the GRE.

### Financing Health School Education

Tuesday, Nov. 15, 4-5 p.m. | Love Library South 221

The extra years of school required to attain your career in healthcare will have financial implications (debt, costs of living, etc.). Attend this session and start thinking about how you can prepare financially for your advanced education and learn about options for financing your health school education.

### Applying to Health Schools 101

Wednesday, Nov. 16, 4-5 p.m. | Love Library South 221

Are you planning to apply to a professional health school in the next couple of years? Even if you are in your first or second year of college, it is important to learn about the steps in the application process and what you can do now to prepare to submit your best application. This workshop will not cover information about applying to nursing school, radiography programs, or dental hygiene programs.
