Pre-Health Workshops
FALL 2023

Pre-Health Orientation
Geared toward new UNL pre-health students, this session will provide an overview of pre-health and discuss questions like: How do I find out what courses I need to take for my pre-health area and how do I plan when to take them? How do I explore different areas of pre-health? How can my co-curricular experiences enhance my application? And much more! Attend the session that fits your schedule best.

Thursday, Aug. 31, 4-5 p.m. | Love Library South 102
Tuesday, Sept. 5, 4-5 p.m. | Love Library South 102

Interviewing Tips for Health Schools
Will you be interviewing for a professional health school soon? Learn strategies for approaching your interview and having your best interview. Then, sign up for a mock interview to practice what you learned. Attend the session that fits your schedule best.

Thursday, Sept. 21, 4-5 p.m. | Love Library South 221
Wednesday, Oct 11, 4-5 p.m. | Love Library South 221

MCAT Workshop
The Medical College Admission Test (MCAT) is an important piece of your application to medical school. We’ll review the content of the exam, discuss considerations for when to take it, and share preparation strategies and resources.

Tuesday, Sept. 26, 4-5 p.m. | Love Library South 221

UNMC Nursing Application Session
UNMC’s Student Services Coordinator will provide a detailed overview of the sections of the application for UNMC’s nursing program. If you are applying to UNMC this fall/winter, this workshop is your opportunity to ask questions about how to complete the application.

Monday, Sept. 11, 3:30-4:30 p.m. | Love Library South 221
Monday, Sept. 25, 3:30-4:30 p.m. | Love Library South 221
Tuesday, Oct. 10, 5-6 p.m. | Love Library South 221

GRE Preparation for Health School Applications
If the GRE is required for admission to your professional health program, join us for a one-hour overview of the exam. We will cover the format of the GRE, outline timelines for studying for and taking the exam, and share helpful resources and advice on preparing to take the GRE.

Tuesday, Oct. 10, 4-5 p.m. | Love Library South 221

Applying to Health Schools 101
Are you planning to apply to a professional health school in the next couple of years? Even if you are in your first or second year of college, it is important that you learn about the steps in the application process and what you can do now to prepare to submit your best application. This workshop will not cover information about applying to nursing school, radiography programs, or dental hygiene programs.

Tuesday, Nov. 14, 4-5 p.m. | Love Library South 221

Researching, Budgeting, and Financing Health School Education
How do you decide which schools to consider applying to? How do you prepare to pay for the extra years of school required to attain your career in healthcare? Attend this session and start thinking about how you can strategize your application and prepare financially for your advanced education. Learn about programs available to help you pay back your health school educational costs. We will provide you with tools to manage all of these exciting next steps!

Wednesday, Nov. 15, 4-5 p.m. | Love Library South 221
